

Personal Pilgrimage 2021

This year we cannot have our regular prayer pilgrimage. However we invite you to pray for our local churches in Felixstowe and villages on your daily exercise at church buildings (and even going in or open for private prayer) and praying for their ministry during the period 18th -25th January. Some will have prayer items conspicuously displayed. Where and when you visit is up to you, but *please observe all Lockdown rules and guidance to keep local and avoid unnecessary contact with others*. Or why not do a “virtual pilgrimage” by praying for a selection of churches daily during the week at home? Here is the list of CTF churches grouped into localities.

Felixstowe Personal Pilgrimage 2021

(part of Unity Week
